### WHAT IS THE SETEBAID TEEN DAY?

The Teen Day brings together teens, 13-18, with diabetes for fun in a group recreational setting. The day gives teens a chance to meet new friends and exchange ideas on coping with diabetes.

### LOCATION AND FACILITIES

Setebaid Teen Day is held at Camp Setebaid at Swatara, 2905 Camp Swatara Road, Bethel, Pennsylvania

### WEEKEND STAFF

- ◆ Activities have been planned by a staff of responsible adults including professional healthcare providers, and counselors. All staff are knowledgeable in diabetes care and all meals are planned by a dietitian.
- ◆ Teens attending this event will be expected to maintain their own insulin regime, blood glucose monitoring, and record keeping. Medical staff will be available for consultation and emergencies.
- ◆ The staff to participant ratio is 1:5.

### PROGRAM AND SCHEDULE

- ◆ The day will run on Saturday, April 28, from 9 AM through 4:45 PM.
- ◆ Activities will include an educational rap session. Parents should plan to attend the Diabetes Family Conference held the same day at the same location. Please see its brochure for more information.
- ◆ The cost of this event, \$40, includes snacks, lunch, and the zip line and climbing wall fees. The registration form and payment must be returned to our office no later than March 23, 2018.

### TEEN DAY GOALS

- ◆ To enable teens with diabetes to meet others with the same condition.
- ◆ To offer parents a break from the daily worries of raising a teen with diabetes.
- ◆ To provide an enjoyable experience and foster independence for the teen with diabetes.
- ◆ To teach the teen how to work as part of a team to climb the wall; to teach the teen to trust members of his/her team.
- ◆ To enable the teens to interact with healthcare providers in a non-clinical setting.
